

## **Materials related to LD 798 and Broader Issues:**

for discussion with legislator, 22 March 2019

[https://dickatlee.com/issues/health/vaccines/maine/legislator\\_discussion\\_materials.html](https://dickatlee.com/issues/health/vaccines/maine/legislator_discussion_materials.html)

### **Main issues regarding mandates** (outline for discussion)

1. "Philosophical" is really "Knowledgeable thinking person" concerned about:
  - a. Safety and medical inappropriateness of one-size-fits-all
  - b. Efficacy and effects on wider population
  - c. Corruption of government, press, medical literature and profession
  - d. Individual's rights vs. government
    1. Jacobson vs. Massachusetts 1905
    2. Informed Consent
2. Arguments for mandates
  - a. Protection of immuno-compromised
  - b. Herd immunity

### **Relevant documents** (PDFs, with their relationship to the above "Main issues" outline)
