High-energy Talk by Dick Gregory and Steve Cokely

The first three parts are Dick Gregory. In part 1, at 4:20, Rev. Bill Kyles states a proven lie about spending the last hour with Dr. King, and follows it at 4:54 with an apparently inadvertent admission of complicity.

The last four parts are Steve Cokely. Cokely spends his part of the talk describing a serious distrust between Dr. King and Jesse Jackson, and makes a case for Jackson's direct involvement in the execution. The final segment here is from a different series of videos of the same talk; it continues where the sixth part of this series ends.
